

# Innsbruck-Salzburg

## Past Mountains & Lakes to Mozart's home town

### Info

Tyrol, Berchtesgaden and Salzburg: When the white snow splendor disappears in the spring, the beautiful landscape of this region with its green pastures and lush green meadows and all the flowers come out. The rivers and lakes with an outstanding scenery in the background, as well as the picturesque villages make this bike tour unique.

### Itinerary

#### Day 1: Innsbruck

Individual arrival and bike hand over (if you have booked our bikes). Use the extra time for a stroll through the picturesque old part of this cultural and fascinating town.

#### Day 2: Innsbruck – Zillertal, approx. 45 km

Worth seeing is the old city center with the "Golden Roof". After that, you leave Innsbruck by the Olympic Village and cycle via Hall to Wattens. Here you can visit the Swarovski Crystal Worlds. Via Schwaz you reach Strass im Zillertal.

#### Day 3: Zillertal - Wörgl, approx. 25 km

Today several castles show the way to Brixlegg and Rattenberg (smallest town in Tyrol). Visit the museum of Tyrolean farms before you reach Wörgl.

#### Day 4: Wörgl – Kirchberg/Kitzbühel, approx. 24 km

From the Inntal Valley you cycle into the hilly "Kaiserwinkl" of Tyrol and by passing picturesque villages you reach Kitzbühel. Tip: you can shorten the way by taking a train from Wörgl to Westendorf (18 km, 300 metres in altitude).

#### Day 5: Kirchberg/Kitzbühel – Lofer, approx. 54 km + train ride St. Johann - Hochfilzen

Cycling to St. Johann, up to Hochfilzen you will cross the summit by train. Then you will cycle comfortably down via Leogang to Saalfelden in the Saalachtal. Follow the river Saalach to Lofer.

#### Day 6: Lofer - Salzburg, approx. 45 km

Leaving the traditional Lofer, the cycle route leads you along the banks of the Saalach along the "green border" to the Bavarian Bad Reichenhall. Once again, in Austria, you will meet soon in the cultural city of Salzburg, the birthplace of Wolfgang Amadeus Mozart.
