As you cycle comfortably along the banks of the mighty river, enjoy the wooded forests and the magical meadows of the Schlägener Loop, Strudengau, Nibelungengau and Wachau, as each region offers its own impressive and unique attractions. Art and cultural features convey myths and stories of the past while quaint accommodations and taverns invite you to relax in the culinary world of Austria. The welcoming Austrian hospitality and the scrumptious Austrian cuisine add to this absolutely remarkable experience.

Itinerary

Day 1: Passau

Individual arrival. Use the remaining time for a city tour or get to know the “City of Three Rivers” by a walk through the picturesque old part of town. Between 4 p.m. and 7 p.m. bike hand over – for late arrivals on the next morning.

Day 2: Passau – Schlägener Loop, approx. 41 km

Start the first cycling route through the Upper Danube Valley to Schlägen. In Engelhartzell, you can visit the one and only “Trappist” monastery in Austria and you can even sample some delicious liqueurs straight from the convent. Continue the journey to the impressive “Schlägener Loop”, where the river makes a complete 180-degree turn.

Day 3: Schlägener Loop – Linz, approx. 55 km

Between the banks of the Danube there are small passenger ferries waiting for you to take them. Next, you cycle through the slowly widening fertile basin of Eferding and further to Linz, the capital of Upper Austria and European Culture Capital of 2009. Enjoy a magical summer evening doing some shopping around the lovely main square of the city.

Day 4: Linz – Strudengau, approx. 60 km

An excursion to Enns, the oldest town in Austria is highly recommended and worthwhile in any case. This leg guides you through beautiful meadows and tranquil hinterland while passing the Celtic village Mitterkirchen, rolling by the majestic church in Baumgartenberg and on to the romantic castle of Clam.

Day 5: Strudengau – Nibelungengau, approx. 50 km

Today’s tour is enjoyed by cycling through the fascinating landscape of tall and densely wooded rock formations on both sides of the Danube. High above the Danube is the Pilgrimage Church of Maria Taferl. From there, you are greeted from afar by the marvellous Benedictine Monastery of Melk.
