## Info

Your action-packed holiday begins the minute you arrive in this legendary mountainous region where you'll be welcomed with genuine Salzburg hospitality. Enjoy picture-postcard panoramas between glaciers, mountains and lakes as you leave your everyday routine behind you. The countryside around Lake Zell offers an abundance of diversity, whether you're cycling, taking a boat trip across the lake or hiking to the mountain summit with its spectacular view of Lake Zell down in the valley and the Kitzsteinhorn glacier in Kaprun. With a full programme of activities for the entire family and more than enough to keep the children happy, you can even enjoy a day without your bike if you feel like it.

## Itinerary

### Day 1: Schüttdorf/Zell am See

Independent arrival. Use the day of your arrival to explore your surroundings and take a walk along the shores of Lake Zell from Schüttdorf into the centre of Zell am See (approx. 30 mins). With its many restaurants, the little town is the perfect place to enjoy a relaxing meal and some window shopping.

## Routings/program suggestions

### Krimml – Schüttdorf/Zell am See, approx. 57 km + (outward journey by train)

The day begins with a ride on the Pinzgauer narrow gauge railway to Krimml, the starting point for your excursion today. But before that, enjoy the soaring natural spectacle of the Krimml waterfalls (incl.). Make sure you give yourself sufficient time to experience the overwhelming power of the water. Then it's time to begin the first leg of your ride on the Tauern cycle path, through small sleepy villages surrounded by forests and meadows. Arriving in the charming small mountain town of Mittersill, enjoy the view of the Hohe Tauern National Park and the Kitzbühel Alps. Immerse yourself in the National Park Worlds (incl.), a unique world of alpine experiences focusing on Austria's highest mountain, the Großglockner, before continuing on to your hotel in Schüttdorf/Zell am See.

### Schüttdorf/Zell am See – Saalfelden – Maria Alm – Schüttdorf/Zell am See, approx. 45 km

After leaving your hotel cycle to the northern shore of Lake Zell and then on through the pretty little village of Maishofen, where the historic Schloss Kammer is already visible from a distance. After some tasty food at the family-run sixteenth century farmhouse, you'll be ready to continue to Almdorf and then on to Maria Alm full of fresh energy. After a brief sightseeing tour in Maria Alm, the highest church tower in Salzburg waits for you to climb it. For history lovers, we recommend the museum of local history in Schloss Ritzen (incl.) on the idyllic Ritzensee lake in Saalfelden. Immerse yourself in bygone days before returning to Schüttdorf/Zell am See via Maishofen/Neunbrunnen.

### Schüttdorf/Zell am See – St. Johann im Pongau, approx. 40 km (return journey by train)

With the exception of a short stretch on the main road, you'll spend the day following the familiar Tauern cycle path through hilly countryside full with lush meadows and rustic farmhouses. After a short uphill ride, you reach your first destination today, Taxenbach. The perfect place to stop for a rest before taking an excursion into a world full of magic. The Kitzlochklamm (incl.) is one of the most beautiful gorges in the Austrian alps and a delight for the entire family. On a guided tour, explore footbridges and tunnels from the 16th century and marvel at the unbridled power of the Rauriser Ache waterfall.
